

A fúria dos reis Baixar (PDF or ePub) George R. R. Martin GRATIS

Nesta emocionante sequência de A guerra dos tronos, George R. R. Martin cria uma obra incomparável. A fúria dos reis nos transporta para um mundo de festas e vinganças, feitiçaria e disputas, diferente de tudo que já foi feito.

Um cometa da cor de fogo e sangue corta os céus. E, da antiga cidadela de Pedra do Dragão às costas áridas de Winterfell, reina o caos.

Em A fúria dos reis, seis facções disputam o controle de uma terra dividida e o direito de ocupar o Trono de Ferro de Westeros - e estão dispostos a encarar tempestades, levantes e guerras para isso.

Nesta história, irmão trama contra irmão e os mortos se levantam para caminhar pela noite. Aqui, uma princesa se disfarça de menino órfão, um cavaleiro se prepara para encarar uma pérfida feiticeira e bárbaros descem das Montanhas da Lua para saquear os campos.

Em um contexto de incesto e fratricídio, alquimia e assassinato, a vitória será dos homens e mulheres que possuírem o mais frio aço... e o mais frio coração. Pois, quando se desperta a fúria dos reis, a terra inteira treme.

"Martin corresponde a todas as expectativas criadas por A guerra dos tronos e dá continuidade ao que está destinada a ser a melhor série de fantasia já escrita." — The Denver Post
