

Além do bem e do mal Baixar (PDF or ePub) Friedrich Nietzsche GRATIS

Nietzsche considerava Além do bem e do mal seu livro mais importante e mais abrangente. Quase todos os temas de sua filosofia madura estão presentes aqui: o perspectivismo, a vontade de poder e suas ramificações, a crítica da moralidade, a psicologia da religião e a definição de um tipo de homem nobre. Há também aforismos sobre arte e sexualidade, caracterizações de vários povos e países e muitas opiniões sobre personalidades históricas e artísticas. Tudo num estilo de grande beleza e precisão, a que não faltam humor, poesia e dramaticidade. Terminada a leitura, o leitor compreenderá por que as principais correntes de pensamento do século XX - como o existencialismo, a filosofia analítica e a psicanálise - reconheceram em Nietzsche um precursor.
