## Diana Gabaldon GRATIS

In this new epic of imagination, time travel, and adventure, Diana Gabaldon continues the riveting story begun in *Outlander*.

Jamie Fraser is an eighteenth-century Highlander, an ex-Jacobite traitor, and a reluctant rebel in the American Revolution. His wife, Claire Randall Fraser, is a surgeon—from the twentieth century. What she knows of the future compels him to fight. What she doesn't know may kill them both.

With one foot in America and one foot in Scotland, Jamie and Claire's adventure spans the Revolution, from sea battles to printshops, as their paths cross with historical figures from Benjamin Franklin to Benedict Arnold.

Meanwhile, in the relative safety of the twentieth century, their daughter, Brianna, and her husband experience the unfolding drama of the Revolutionary War through Claire's letters. But the letters can't warn them of the threat that's

rising out of the past to overshadow their family.

Diana Gabaldon's sweeping *Outlander* saga reaches new heights in **An Echo in the Bone**.

BONUS: This edition includes an excerpt from Diana Gabaldon's *Written in My Own Heart's Blood*.
