"One of the finest, most compelling accounts of what happened to corporate and Wall Street in the 1980's."  
—*New York Times Book Review*

A #1 *New York Times* bestseller and arguably the best business narrative ever written, *Barbarians at the Gate* is the classic account of the fall of RJR Nabisco. An enduring masterpiece of investigative journalism by Bryan Burrough and John Helyar, it includes a new afterword by the authors that brings this remarkable story of greed and double-dealings up to date twenty years after the famed deal. The *Los Angeles Times* calls *Barbarians at the Gate*, "Superlative." The *Chicago Tribune* raves, "It's hard to imagine a better story...and it's hard to imagine a better account." And in an era of spectacular business crashes and federal bailouts, it still stands as a valuable cautionary tale that must be heeded.
