

Capitalismo consciente Baixar (PDF or ePub) John Mackey & Rajendra Sisodia GRATIS

Bestseller New York Times - O que empresas como o Google, a Southwest Airlines, o Whole Foods Market, a Costco, a Patagonia, a The Container Store e a UPS têm em comum? Segundo os autores deste livro, todas elas incorporam em sua gestão alguns aspectos construtivos e promissores do capitalismo, atuando de maneira a criar valor não só para si mesmas, mas também para seus clientes, funcionários, fornecedores, investidores, a comunidade e o meio ambiente. Em Capitalismo consciente - O espírito heroico dos negócios, John Mackey, um dos fundadores do Whole Foods Market, e Raj Sisodia, professor de marketing da Universidade de Bentley, descrevem a importância da dedicação dos líderes e do comprometimento do demais profissionais com essa proposta inovadora, para o bem da realidade corporativa e da sociedade como um todo. Fundadores do movimento do Capitalismo Consciente, John Mackey e Raj Sisodia explicam como algumas empresas aplicam os quatro princípios da abordagem (propósito maior, integração dos stakeholders, liderança consciente e cultura e gestão conscientes) na construção de estruturas sólidas e lucrativas. O livro oferece

uma defesa ardorosa e uma redefinição consistente do capitalismo de livre-iniciativa, em uma análise valiosa tanto para os profissionais como para as empresas que apostam em um futuro mais cooperativo e mais humano. Depoimentos: "Há tempos acredito que as empresas têm a responsabilidade de buscar o equilíbrio entre a lucratividade e a consciência social, ainda que poucos líderes saibam como fazer isso. No livro Capitalismo consciente, John Mackey e Raj Sisodia oferecem um panorama preciso e realista, que permite às empresas atender às demandas dos diversos stakeholders." Howard Schultz, presidente e CEO do Starbucks. "O livro Capitalismo consciente constitui uma oportuna explicação e defesa das vantagens do capitalismo de livre-iniciativa (que, bem implementado, constitui o sistema econômico mais benéfico já criado), além de uma exortação pragmática
