

# Educação: livre e obrigatória Baixar (PDF or ePub) Murray N. Rothbard GRATIS

Por qual razão tantas pessoas estão insatisfeitas com o sistema de ensino atual? Por que gerações de reformadores fracassaram em melhorar o sistema educacional, e ainda fizeram com que ele se degenerasse cada vez mais em direção a um nível de mediocridade cada vez pior?

Nesta monografia acadêmica e radical, Rothbard identifica os pontos cruciais do sistema educacional que o condenaram ao fracasso: em cada um de seus níveis, do financiamento ao comparecimento, o sistema se baseia na compulsão e não no consentimento voluntário.

E isso acarreta em algumas consequências. O currículo é politizado para refletir as prioridades ideológicas do regime no poder. Ocorre um contínuo rebaixamento dos padrões para se adaptarem ao menor denominador comum. Não se permite que as crianças mais inteligentes desenvolvam seus potenciais, as necessidades especiais de determinadas crianças são negligenciadas, e os alunos médios são reduzidos a engrenagens anônimas de uma máquina.

Conforme Kevin Ryan, da Universidade de Boston, indica na introdução, se a reforma educacional algum dia conseguir provocar mudanças fundamentais, ela terá que começar com um repensar completo do ensino público como o que Rothbard nos oferece aqui.
