## Sandro Magaldi & José Salibi Neto GRATIS

Não existe outro momento mais vibrante na história recente da humanidade. Um ambiente repleto de desafios reserva oportunidades até então não mapeadas. O mundo está em aberto. A vida está em aberto.

O que fez empresas como Netflix, Airbnb e Uber assumirem o lugar de companhias e modelos de negócios aparentemente consagrados e indestrutíveis? O que nos reserva o futuro? Embora muito se tenha falado sobre esses novos players do mercado, ainda há inúmeras dúvidas sobre como será o futuro do mundo corporativo, com seus diversos modelos de empresas e negócios, muitos dos quais ainda se consideram inabaláveis.

O fato, porém, é que, diariamente, o mundo passa por mudanças em todas as áreas. Hoje coabitam, no mesmo momento, o novo - representado pelas novas tecnologias, inovações e rupturas - com o clássico, o tradicional, forjado ao longo de séculos de convivência e desenvolvimento humano. Essa nova Era é conhecida como a 4ª Revolução

Industrial, a mais abrangente, profunda e ampla da história. É a única que harmoniza descobertas transformadoras integrando, pela primeira vez, o mundo físico, digital e biológico em um mesmo ambiente.

Com essas mudanças, o modelo de gestão também precisa mudar: os modelos corporativos, os líderes, os mecanismos de educação etc.

Sandro Magaldi e José Salibi Neto trazem nesta obra um panorama completo dos modelos de gestão ao decorrer da história e qual deve ser o modelo nesse novo momento no qual estamos vivendo. Em um texto abrangente e ao mesmo tempo simples, eles apresentam tudo o que você precisa saber para não ser derrubado por não se adaptar ao novo.
