

Guerras sujas Baixar (PDF or ePub) Jeremy Scahill GRATIS

O livro que deu origem ao premiado documentário "Esta é a história de como os Estados Unidos adotaram o assassinato como parte essencial de sua política de segurança nacional. É também a história das consequências dessa decisão para dezenas de países do mundo inteiro e para o futuro da democracia americana. "Nesta história pouco convencional da Guerra ao Terror, o jornalista Jeremy Scahill busca o novo paradigma da política externa norte-americana: a luta longe dos campos de batalha declarados, por unidades que oficialmente não existem, em milhares de operações para as quais não há dados oficiais. Conduzindo o leitor por uma viagem vertiginosa do Afeganistão ao Paquistão, de Washington ao Iêmen e à Somália, do Reino Unido ao Iraque, na tentativa de entrevistar agentes secretos, mercenários, líderes de organizações terroristas e parentes de vítimas, Scahill revela vidas por trás das sombras e uma nova visão da guerra contemporânea a partir de histórias que um olhar desatento julgaria desconexas. Entrelaçando relatos que abrangem desde os primeiros dias do governo Bush até o

segundo mandato de Obama, o autor nos apresenta os homens que comandam as operações mais secretas das forças armadas americanas e da CIA, histórias de participantes que passaram a vida incógnitos, alguns dos quais contribuíram com o livro sob a condição de não ter sua identidade revelada. O mundo sabe que a Equipe 6 dos Sea, Air, Land Teams (SEALS) e o Comando Conjunto de Operações Especiais (Joint Special Operations Command, JSOC) foram as unidades que mataram Osama Bin Laden. Este livro revelará missões até agora desconhecidas dessas mesmas forças, que nunca serão discutidas por políticos norte-americanos nem imortalizadas em filmes de Hollywood.

título	: Guerras sujas
