

LIBERALISMO - Carl Menger: Princípios de Economia Política Baixar (PDF or ePub) Carl Menger GRATIS

Carl Menger é considerado o pai da Escola Austríaca de Economia. Sua obra pioneira: Princípios de Economia Política, publicada em 1871, não apenas introduziu o conceito de análise marginal, como também apresentou uma abordagem radicalmente nova sobre a análise econômica, análise essa que ainda forma o núcleo da teoria austríaca do valor e dos preços. Para o iniciante "Princípios de Economia Política" permanece uma excelente introdução ao raciocínio econômico e, para o especialista, a demonstração clássica dos princípios nucleares da Escola Austríaca, pois a despeito de seu sólido conteúdo econômico, esta obra é de leitura extremamente compreensível mesmo ao leitor leigo em economia. Fato que decorre da cristalino raciocínio do autor, sempre acompanhado de inúmeros e didáticos exemplos. Com apresentação de Frederich Hayek, nobel de economia e maior representante do liberalismo no século XX.
