

Paul McCartney Baixar (PDF or ePub) Philip Norman GRATIS

Nesta biografia essencial, você encontrará tudo o que sempre quis saber sobre Paul McCartney mas não tinha certeza se era mito ou fato.

Sim, Paul McCartney fumou maconha diariamente até depois dos sessenta anos de idade (e parou para não dar mau exemplo à filha pequena, Beatrice). Sim, Paul McCartney e Yoko Ono ainda hoje não se bicam. Sim, ele é considerado mão de vaca até pelos amigos íntimos. Sim, ele é um compositor erudito respeitado por seus pares. E não, ele não está morto. Muito pelo contrário.

No final dos anos 1950, quatro adolescentes de Liverpool se reuniram para mudar para sempre a história da música e o próprio mundo como até então era conhecido. A beatlemania andou de mãos dadas com a revolução cultural dos anos 1960 e, como líder incontestado dos Fab Four (a despeito da opinião dos adoradores de John Lennon), Paul McCartney foi um de seus protagonistas. Mas o autor de "Hey Jude" e tantos sucessos imortais não é apenas o ex-líder do Beatles. Quase

cinquenta anos depois do fim da banda, ele continua vivíssimo, no topo das paradas e elogiado pela crítica.

Aclamada no Reino Unido e nos EUA, esta biografia é a mais precisa e abrangente já publicada sobre Paul McCartney. Especialista em rock e profundo conhecedor da história dos Beatles, Philip Norman rastreia todos os passos do biografado com o precioso auxílio de entrevistas com membros de seu círculo pessoal. As versões de ex-namoradas, colegas, amigos, familiares e desafetos ajudam o autor de John Lennon: a vida a compor um retrato equilibrado do baixista canhoto que, um dia na vida, saiu de Liverpool com seu instrumento em formato de violino para transformar o rock numa grande arte.
