You've probably seen home theaters in the pages of home improvement and technology magazines like Electronic House. You may have even encountered one at the home of a friend or colleague. Perhaps you've stopped at a home electronics store and have seen a home theater there. Have you ever wondered what it takes to create these elegant, high-performing A/V masterpieces?

Our Complete Guide to Home Theater Planning will walk you through the process, step by step. As you'll learn, creating a home theater requires carefully planning to get right, some imagination and plenty of time and patience. It's hard work, but the results can be phenomenal—something that pleases every member of your family and adds real value to your house.
