**NEW YORK TIMES BESTSELLER • There's decorating, and then there's organizing. From the Instagram-sensation home experts (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home.**

Believe this: every single space in your house has the potential to function efficiently *and* look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun.

From the home organizers who made their orderly eye candy *the* method that everyone swears by comes Joanna and Clea's signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need

another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks.

A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm.

**PLEASE NOTE: The paperback includes a starter set of labels for your refrigerator; the ebook and audiobook include a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).**
