The bestselling author of *The Miracle Morning* shares the secret to unlocking your full potential—all day, every day.

“A simple, proven formula for creating extraordinary results in your life.”—Lewis Howes, *New York Times* bestselling author of *The School of Greatness*

Even after the incredible success of his book *The Miracle Morning*, Hal Elrod realized that he still had more to share with the world. What he had discovered was a timeless but overlooked formula for success. The world’s top achievers have used it for centuries. He used it to thrive against seemingly insurmountable odds, from overcoming life-threatening health challenges to near financial collapse.

That formula is The Miracle Equation, and it couldn’t be any simpler:

Unwavering Faith + Extraordinary Effort = Miracles

By establishing and maintaining Unwavering Faith that you can achieve anything you desire, and then putting forth Extraordinary Effort until you do, you’ll create results beyond what you believe to be possible. In *The Miracle Equation*, you’ll learn how to

- Replace fear with faith
- Move from resistance to acceptance
- Let go of negative emotions
- Turn off your stress response
- Overcome your limitations to unlock your limitless potential
- Develop emotional invincibility
- Grow from happiness, which is fleeting, to inner peace, which is lasting

And with the Miracle Equation 30-Day Challenge to guide your way, you’ll create a step-by-step plan to actualize your miracles and become the person you need to be in order to succeed. No goal is out of reach!

Praise for *The Miracle Equation*

“*The Miracle Equation* isn’t just a book, it’s the formula that I myself have used to achieve greatness beyond what I ever believed was possible. Hal Elrod has taken the mystery out of miracles and gives you a simple, proven formula for creating extraordinary results in your life. Highly recommended.”—Lewis Howes, *New York Times* bestselling author of *The School of Greatness*
