

Tribos Baixar (PDF or ePub) Seth Godin GRATIS

"Conte uma história, conecte sua tribo, lidere um movimento, faça a mudança." "[Godin] é um semideus da web, um autor best-seller, palestrante altamente requisitado, empreendedor de sucesso, especialista respeitado e blogueiro notório. Sua reputação se deve principalmente ao seu entendimento da internet." — Forbes.com. Seth Godin é autor de livros sobre marketing e empreendedorismo desde os anos 1990, além de blogueiro e palestrante mundo afora. Criador de uma das primeiras companhias de marketing online, cunhou conceitos adequados às atuais mídias e à era digital. Quantos blogueiros e autores podem se orgulhar de ter seu próprio action figure? Sua influência se estende aos meios de comunicação, ajudando a inaugurar uma visão sobre as novas formas de escolhas dos consumidores. O conceito de marketing de permissão, absolutamente contemporâneo, é um exemplo. Compreende que um meio de divulgação não invasivo, que respeite o espaço e o poder do consumidor, é muito mais efetivo atualmente. Com o fim da televisão e dos meios

tradicionais de divulgação — ofuscados pela internet —, qual a melhor forma de atingir seu público? Segundo Seth, a melhor forma é criando um buzz sobre o produto. Algo que o torne memorável. Uma vez identificado o seu grupo, como liderá-lo e uni-lo? Em Tribos, Seth compartilha sua visão sobre como é o funcionamento interno desses grupos com ideais compartilhados. O processo de identificação e de união de seus membros é o que leva, afinal, à conclusão de que é necessário que haja uma liderança para que a tribo não perca força. Uma pessoa da tribo, uma pessoa que pode ser você. Este não é apenas um livro sobre liderança, tampouco um livro sobre marketing na era atual. É sobre acreditar e fazer acreditar.
